ALSOK Continuously Selected as a Constituent of SNAM Sustainability Index

SOHGO SECURITY SERVICES CO., LTD. (“ALSOK” TSE:2331), announces that it has been continuously selected as a constituent of SNAM Sustainability Index, an investment index managed by Sompo Japan Nipponkoa Asset Management Co., Ltd..

SNAM Sustainability Index is used in the SNAM Sustainable Asset Management aimed at pension funds and institutional investors that invest broadly in firms having a strong positive evaluation for ESG(environment, society, and governance), which approximately 300 companies are selected every year. SNAM Sustainable Asset Management determines weightings based on SNAM Sustainability Index and the constituents of which are selected with an emphasis on ESG evaluation. It is aimed to contribute to asset building by long-term investors through evaluation of corporate value from a long-term perspective by uncovering hidden risks and management quality which are not evident in financial statements.

ALSOK has been contributing to provide safety and security for customers and society. For the aim to improve sustainable corporate value, we will continue to correspond to stakeholder’s various needs.
